

MASHLM Scholarship Application Instructions

In order to apply for a MASHLM 25% Scholarship, candidates need to provide the following information together with the MASHLM application:

- A letter of request explaining candidates general economic situation incl. family situation, and the need for financial support (incl. the current cost of living in the country of residence);
- A salary history over the last 3 years, summarizing organizations you have worked for and monthly payment received (in local currency and USD); and
- A copy of your latest salary payroll receipt from your current employer (stamped).

Please note that scholarship amount received will be deducted from the total tuition due.

Hence, the reservation deposit of CHF 2'000.-, a university/USI requirement for granting a letter of admission, is also due by students receiving scholarship.

Your scholarship application does not guarantee that you will be awarded with a scholarship. In case of a positive response, you will receive a formal notification by e-mail.

Sincerely,

MASHLM Management
